DEFY PRO V1 PADEL

SKU: WR173611U2

DEFY PRO V1 PADEL

SKU: WR173611U2

Description:

Wilson's Defy V1 is a powerful racket that feels rapid through the air and generates aggressive spin. It's made for advanced and pro-level padel players with a 15K Carbon Face and a Power Foam. The diamond-shaped racket creates natural power, along with the Aeroexact Design technology, which makes the racket feel rapid and whippy through the air. Another source of its explosive power comes from the I-Beam technology, which adds stiffness and rigidity to the middle part of the frame. While the Spin^2 Texture helps you get the most spin on the ball. The Duo Grid Hole Pattern combines large holes on the top for increased power with small holes on the bottom for spin and control.

Features:

- Spin Effect Texture - Textured surface grips ball upon contact for enhanced spin and excellent feel on every shot.
- Sharp Hole Technology - Advanced hole-drilling process generates increased bite with every stroke.
- Duo Grid Pattern - Hole pattern that optimizes power and control in different parts of the racket. Larger diameter top holes provide more power on overheads, while smaller holes on the bottom provide enhanced spin and control for defensive shots and volleys

Specifications:

Balance – 265mm

Length – 455mm

Paddle Shape – Diamond

Weight – 370g

Price: R4 800.00 incl.

BELA LT V2.5

SKU: WR161411U

Wilson

Un batasquín nunca se rinde

BELA LT V2

SKU: WR161411U

Overview:

The lightest padel racket in world #1 Fernando Belasteguin's signature line, the Bela LT V2.5 delivers competition-ready performance in a design infused with his championship DNA. Engineered for arm-friendly playability, the Bela LT combines a Soft EVA Foam core with a woven layer of carbon fiber on the face, providing cushioned, comfortable power with every stroke. To further enhance the feel and playability of the padel racket, a thoughtfully designed hole pattern and widened sweet spot allows for consistent responses across the face. The surface of the padel is also textured to produce reliable spin, a must for competitive players looking for an edge. And thanks to its Shock Shield grip and built-in wrist strap, the ultimate comfort is in your hand. Other upgrades with this padel racket include added notches in the throat to provide a comfortable second hand feel and a clear bumper to prolong frame and paint durability.

Highlights:

- Carbon fibre face: A strategically woven layer of carbon fiber gives players the ability to hit with impressive power.
- Soft EVA foam: Offers cushioned feel with impressive shock absorption, generating effective blend of comfort and lightweight power.
- Spin effect texture: Textured surface grips ball upon contact for enhanced spin and excellent feel on every shot.
- Sharp-hole technology: Advanced hole-drilling process generates increased bite with every stroke.
- Shock Shield grip: Unique blend of PU and Iso-Zorb supplies excellent combination of tack and cushioned comfort.
- Sublime grip: Encompasses ideal blend of softness, tack and comfort with additional moisture absorption through micro-perforations on the surface.
- Detachable wrist cord: Construction easily attaches to and detaches from padel racket handle to give user ability to easily swap or personalise with preferred wrist cord type and colour.
- Eco butt cap: Agiplast bio-based nylon composition reduces total material used in butt cap by 20% for more sustainable footprint.

Specifications:

Balance: 265 mm

Beam: 38 mm

Core Type: Soft EVA

Head Size: 84 sq in / 542 sq cm

Length: 455 mm

Paddle Shape: Tear Drop

Weight: 355 g

Price = R4 999.99 incl.

BLADE PRO V3

SKU: WR166911U2

The Wilson Blade Pro V3 Padel Racket offers a one-two punch of impressive explosive power and stability for the attacking players. For the advanced and competitive players, this teardrop paddle gives you all the tools to elevate your game. The strong Carbon Fiber Face frame is reinforced at the head for durability during aggressive play. Compared to the V2, this racket has a firmer and more responsive feel on impact. It delivers more power with an explosive feel, and you can expect a stable feel even on off-center hits. A strategically woven layer of carbon fiber gives players the ability to hit with impressive power.

Highlights:

- Advanced hole-drilling process generates increased bite with every stroke.
- Crafted with precision using a carbon tubular construction, ensuring a uniform tubular thickness and resulting in increased durability, incredible shot control, and superior feel over the entire padel.
- Anti-Fragile Edge Reinforces the padel racket head with robust material to provide long-lasting durability during aggressive play.
- Technology supports players to put spin on the ball from different parts of the padel racket, creating controllable spin on extreme shots.
- Hole pattern that optimizes power and control in different parts of the racket. Larger diameter top holes provide more power on overheads, while smaller holes on the bottom provide enhanced spin and control for defensive shots and volleys.

Specifications:

Balance: 270mm

Core Type: Firm EVA

Length: 455mm

Paddle Shape: TEAR DROP

Price: R4 000,00 incl.

BLADE LS V3

SKU: WR167111U2

Overview:

The more comfortable you feel, the easier it is to play. The lightest padel racket in Wilson's Blade V3 line, the Blade V3 LS is an easy-swinging racket with effortless power. Equipped with a Fiberglass Weave construction, it offers stability and responsiveness with every swing. Intermediate players will appreciate the additional spin generated from Spin Texture and the soft ECO foam to enhance the connection with the ball.

Highlights:

- Frame construction supplies A nice mix of stability and paddle responsiveness for recreational players.
- The Soft EVA Foam offers cushioned feel with impressive shock absorption, generating effective blend of comfort and lightweight power.
- Advanced hole-drilling process generates increased bite with every stroke.
- Technology supports players to put spin on the ball from different parts of the padel racket, creating controllable spin on extreme shots.
- Hole pattern that optimizes power and control in different parts of the racket. Larger diameter top holes provide more power on overheads, while smaller holes on the bottom provide enhanced spin and control for defensive shots and volleys.

Specifications:

Balance: 260mm

Core: Soft EVA

Length: 455mm

Shape: Tear Drop

Weight: 355g

Price: R3 499.99 incl.

PRO STAFF LT

SKU: WR111911U2

OVERVIEW:

The Pro Staff LT V2 serves up the lightest padel racket in the Pro Staff V2 lineup for a supreme blend of comfort and precision. Constructed with a soft foam and lightly textured surface for arm-friendly playability, this padel racket caters to a wide cross section of players: transitioning juniors, older players, and anyone with elbow or shoulder discomfort. Its extended handle appeals for two-handed grip loyalists, while a specialized hole pattern pairs with a round shape for optimal control. Includes wrist strap attached to the handle for extra control and safety when sharing the court with others.

HIGHLIGHTS:

- A strategically woven layer of carbon fiber gives players the ability to hit with impressive power.
- Offers cushioned feel with impressive shock absorption, generating effective blend of comfort and lightweight power.
- Textured surface grips ball upon contact for enhanced spin and excellent feel on every shot.
- Advanced hole-drilling process generates increased bite with every stroke.
- Encompasses ideal blend of softness, tack and comfort with additional moisture absorption through micro-perforations on the surface.
- Handle strap wraps and tightens around wrist to prevent losing control of paddle

Specifications:

Balance: 260mm
Beam: 38mm
Core: Soft EVA
Length: 455mm
Shape: Round
Weight: 355g

Price: R3 400 incl.

ACCENT LT

SKU: WR146311U2

OUT OF STOCK

The Accent range is Wilson's latest innovation. These rackets are designed to provide easy power and ultimate comfort to players, especially for casual and intermediate players.

With its teardrop shape, the Wilson Accent LT offers great power while maintaining great comfort. Its weight of 350 grams and its neutral balance offer excellent stability and maneuverability for better control of the racket.

If you are looking for a lightweight, maneuverable racket that will allow you to hit with power without sacrificing comfort, the Accent racket is the ideal choice.

OVERVIEW

- **Carbon Fiber Face:** A strategically woven layer of carbon fiber gives players the ability to hit with impressive power.
- **Soft Eva Foam:** Soft foam provides incredible shock absorption for increased comfort and improved ball speed.
- **Amplified face:** Increases cushioning for the entire striking surface and reduces profile to reduce vibrations.
- **Comfort Texture:** A thicker texture increasing contact time for a cushioning effect that generates ultimate comfort and effortless power with every shot.
- **Infinity Edge:** Concave edges increase the sweet spot to provide greater ball speed and forgiveness.
- **Shock Shell Grip:** Offers a great combination of grip, comfort and cushioning.
- Detachable wrist strap

- Padel Shape: TEAR
- Balance: Medium
- Thickness: 38mm
- Weight: 350g

Price: R4 500.00 incl.

PICKLEBALL CATALOGUE 2025

BLAZE PICKLEBALL RACKET

SKU: WR157911U2

Overview:

A raw hybrid faced, elongated paddle designed for intermediate to advanced players looking to add power to their shots.

Maximize power while maintaining control on the pickleball court. Wilson's Blaze 13 Pickleball Paddle is ideal for competitive intermediate to advanced players who can place the ball with precision and are looking to add some power to their shots. The elongated shape contains a more concentrated sweet spot with great responsiveness, and its extended handle length is ideal for players who hit with two-handed backhands. The hybrid face features raw carbon fiber with a fiberglass base, resulting in maximum power coupled with enhanced spin.

- Single piece construction reduces variability, allowing for enhanced feedback and increased handle strength.

- Specifically designed and molded PU foam insert placed in the handle enhances playability and comfort by providing a consistent feel in the grip.

- Weight: 7.9-8.3 ounces

- Length: 16 1/2 in

- Width: 7.5 in

Price: R2 200.00 incl

FIERCE MAX PICKLEBALL RACKET

SKU: WR160311U2

Overview:

An excellent paddle for beginner to intermediate players, designed for easy, all-around playability.

With its all-around playability and engaging design, Wilson's Fierce Max Pickleball Paddle is a great way to experience the intensity and thrill of one of the world's fastest-growing sports. Perfect for beginner to intermediate players, the paddle's generous sweet spot and responsive core allows for hitting successful shots, even when contact is slightly off-center. Its 13mm thickness and textured fiberglass face is responsive from anywhere on the court, so you can get the hang of making all kinds of shots. The hybrid handle is long enough for two-handed backhands without sacrificing any maneuverability, and the standard shape gives players the best of both worlds in terms of sweet spot and natural power. This paddle is assembled in the USA with US and imported parts.

- Single piece construction reduces variability, allowing for enhanced feedback and increased handle strength.
- Weight: 8.0-8.4 ounces
- Length: 16 in
- Width: 8 in

Price: R1 800.06 incl.

AMA POWER XL PICKLEBALL RACKET

SKU: PBR002

This paddle features a 13mm polypropylene crosscore which when paired with the carbon surface, creates an impressive controlled paddle with great durability. Precision foam has been injected in to the perimeter of the paddle adding stability, and adds top notch technology and performance.

Specs:

- Average Weight: 7,5 oz
- Paddle Length: 15,8"
- Paddle Width: 7,79"
- Grip Length: 4,92"
- Grip Circumference: 4,13"
- Carbon forged handle
- Carbon abrasion textured surface with sand-blasted process technology for better spin and more accuracy.

Price: R599.99 incl.

AMA PICKLEBALL KIT

SKU: PBR003

Wilson's Pickleball Starter Kit includes everything you need to play one of the fastest growing sports around. Comprising two paddles, two balls and a bag for convenient transportation, this kit packs a whole lot of value and fun for anyone looking to get started with pickleball. Polymer Power Comb Technology in the paddle core lends excellent feel, while Fiberglass Composite Hitting Zone on the paddle surface mixes in enhanced power and spin for more controllable depth. Kit designed for both indoor and outdoor play and is approved by the USAPA for competitive play.

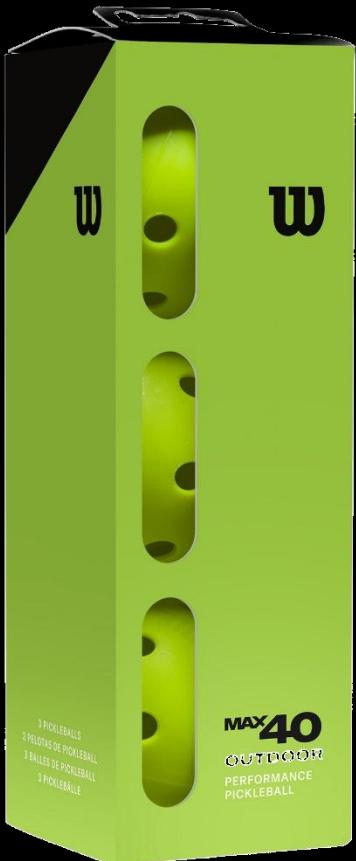

Features:

- Two Pickleball Paddles, Two Balls and a Deluxe Bag for Transportation
- Paddles Feature Polymer Power Comb Technology in the Core to Maximize Feel and Durability
- Stop Shock Dampening Bumper on Paddles
- Both for Indoor and Outdoor Play
- USAPA-listed and Approved
- Price: R1 538.93 incl.

WILSON MAX 40 OUTDOOR PICKLEBALL (3 PACK)

WR8909201001

Description:
